

**Dear Colleagues!**

**On February 22, 2022** in the context of the V International Research-to-Practice Conference «*Strategizing: Theory and Practice*», the session «***Industrial Strategic Universitarium***» will be held in NUST MISIS (Moscow). The Universitarium is organized by the Industrial Strategy Department of the NUST MISIS College of Economics & Industrial Management, the Economic and Financial Strategy Department of the Moscow School of Economics Lomonosov Moscow State University and Interdisciplinary Scientific and Educational School of Moscow University «Mathematical methods for the analysis of complex systems» supported by Center for Strategic Studies at Lomonosov Moscow State University' Institute of Mathematical Research of Complex Systems.

The session includes a variety of thematic sections and events dedicated to the theory, methodology and practice of industrial strategizing, which can be found in detail in the ***Program of the session «Industrial Strategic Universitarium»***.

Based on the results of the session, a special volume of a Collection of scientific articles will be published, indexed in the RSCI, and the best reports will be offered for publication in journals affiliated with the Department and the Center for Strategic Studies.

**Speakers will be awarded with certificates and awards, the best reports will be awarded with diplomas!**

To participate in the session, please send an email to **domaxina@yandex.ru** before **February 5, 2022**, indicating your full name, country, city and affiliation.

If you want to make a report and publish in the Collection you should send article by e-mail **domaxina@yandex.ru** until **January 15, 2022** (***Requirements for articles***).

We will be very glad to see you!

\* \* \*
