# MISIS International Summer School Academic & Cultural Program

# Arrival Day

## Time

All Day

## Activity Description

### Arrival • Transfer • Registration

The day is designed to ensure a smooth arrival to Moscow and a comfortable start to the program.

# Welcome Day

## Nº

## Activity Description

1

### Welcome Session

2

### Campus Tour

An introduction to MISIS' infrastructure, fostering a sense of belonging within the campus community. Get familiar with our state-of-the-art laboratories, research facilities, and overall university infrastructure.

3

### System of Higher Education in Russia

The first lecture is an overview of Russia's higher education system, covering degree levels, academic pathways, institutional roles, and the way Russian universities operate within the global educational landscape.

4

### Education at MISIS

The second lecture focuses on the specifics of technical universities and the academic profile of MISIS, including its educational philosophy, research priorities, and international engagement.

## Lunch

5

### Moscow Tour

A walking tour around the Moscow's historical and cultural landmarks guided by MISIS student-mentors. Students learn how to navigate the city, understand public transport, and observe urban life.

# Language & Literature

## Nº Activity Description

### 1 Reflection and Q&A

### 2 Basics of the Russian Language

This class introduces simple phrases for everyday communication and basic cultural cues that support daily interaction.

### 3 Practice: Russian Slang

A fun, interactive class exploring the peculiar world of Russian slang — master everyday expressions used by locals.

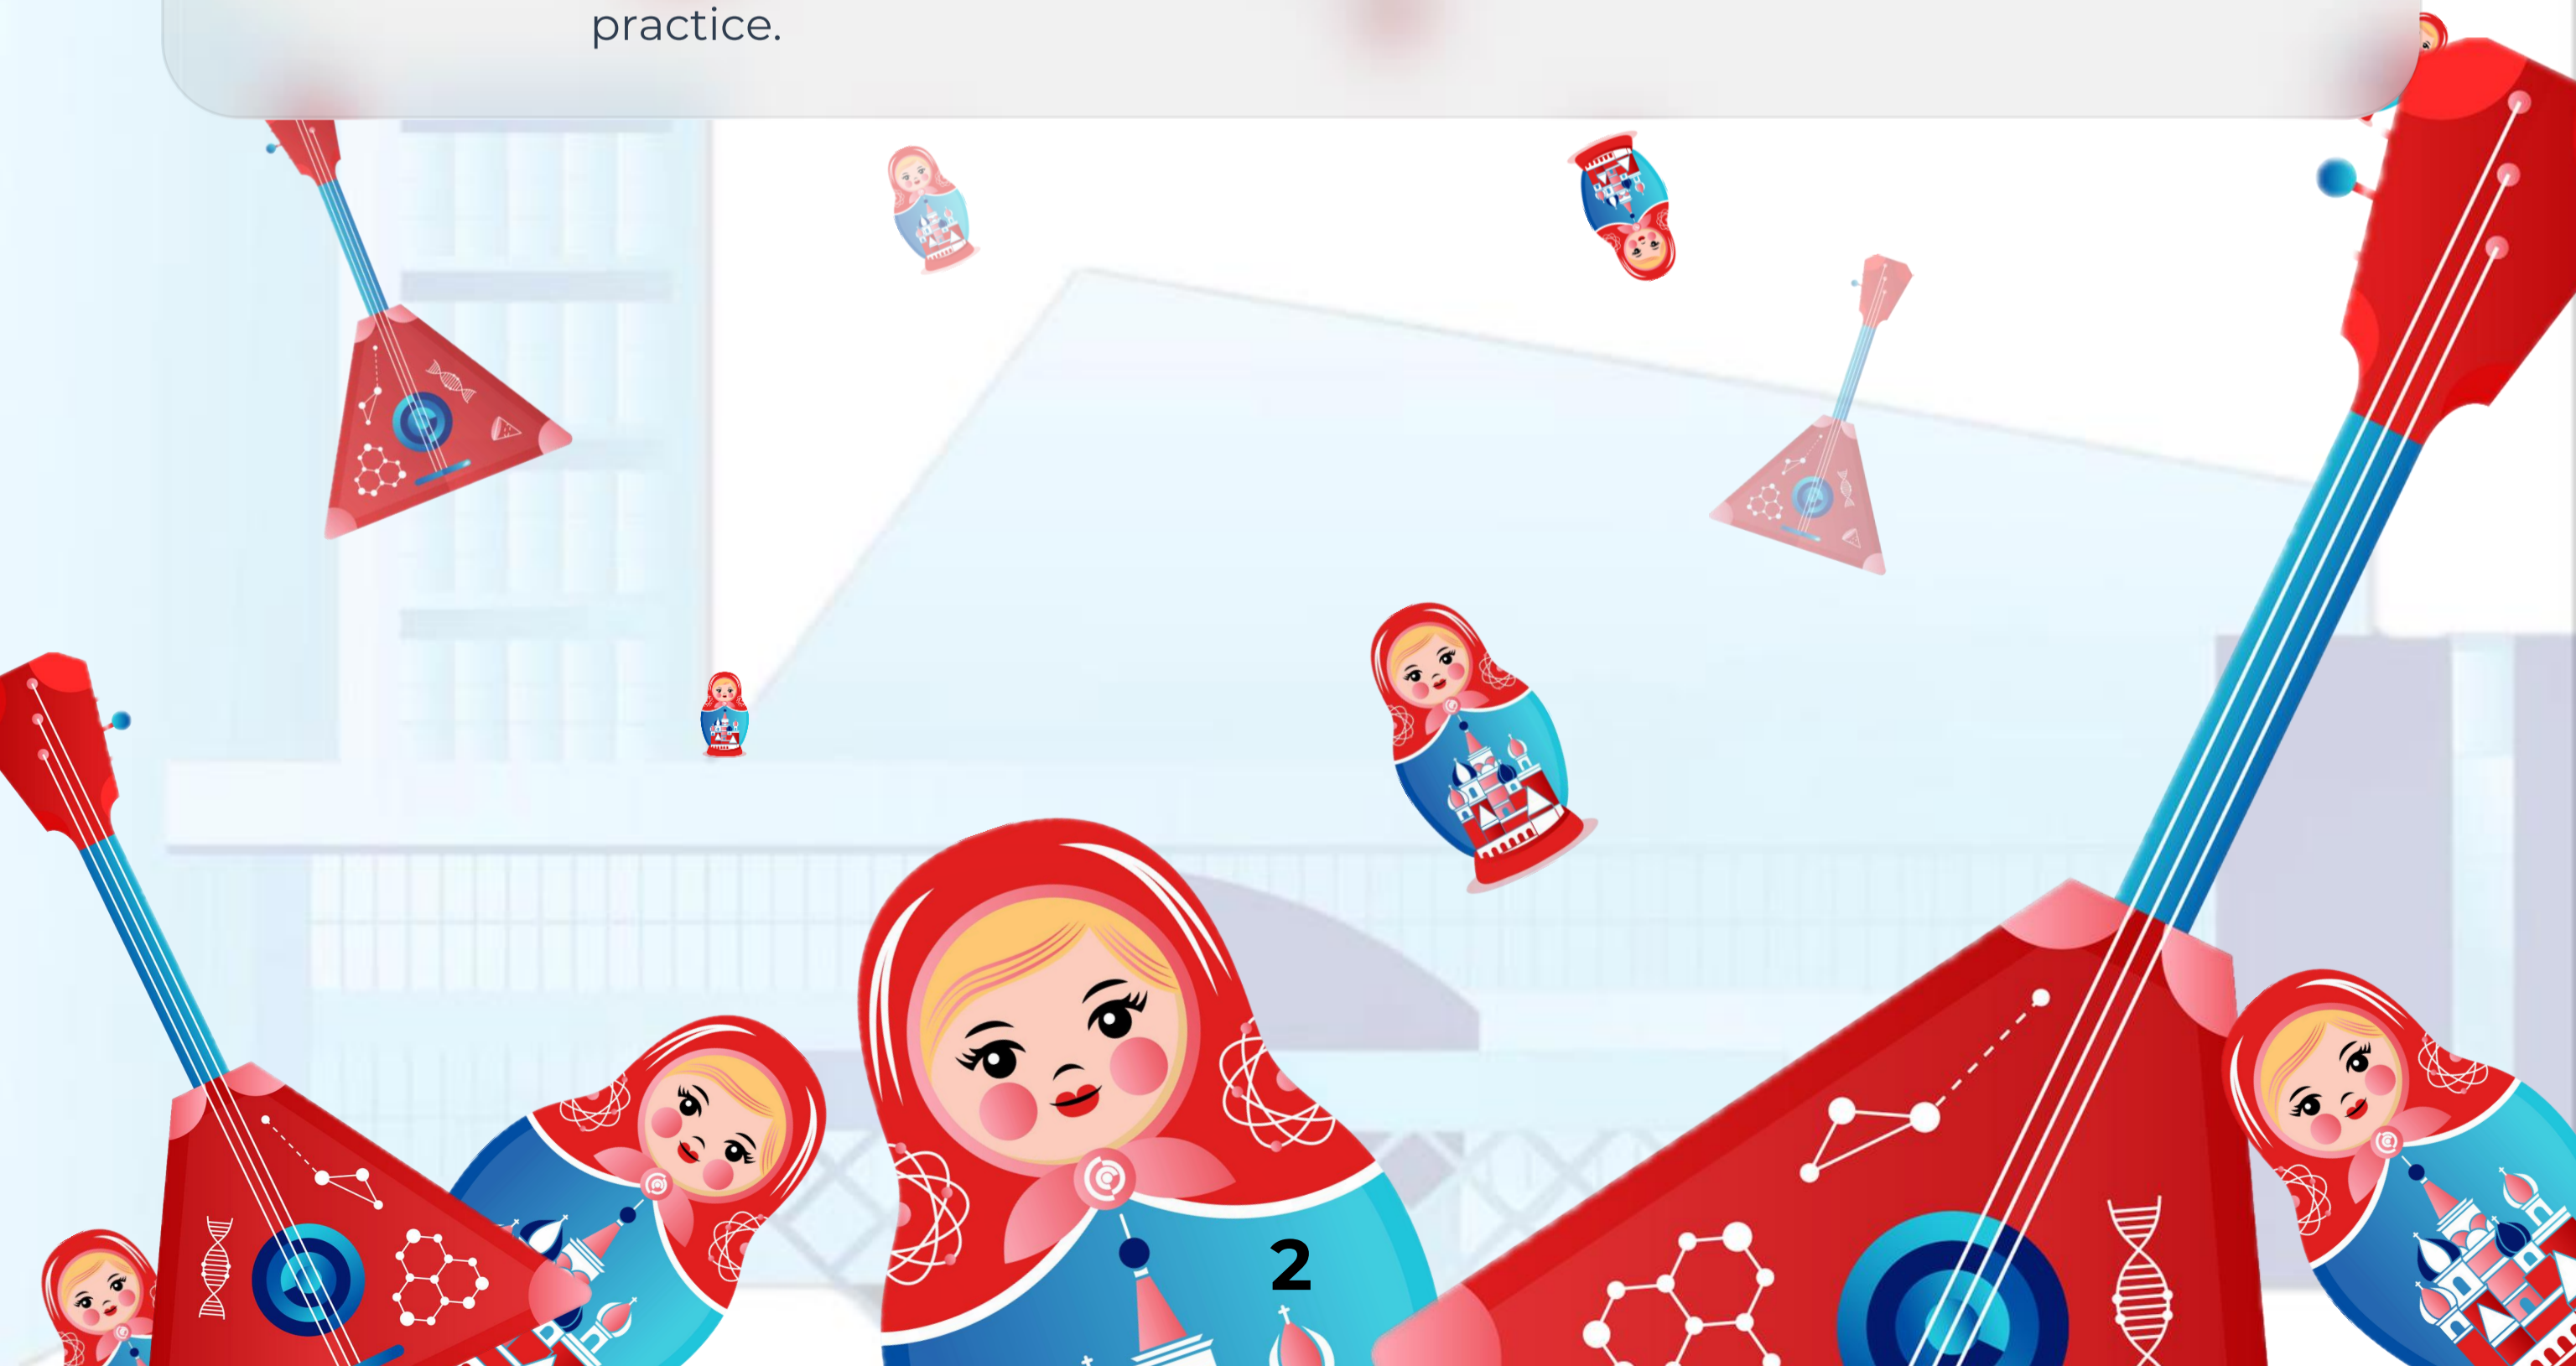

## Lunch

### 4 Language and Literature as Cultural Code

The lecture explores Russian language and literature in the context of national identity and cultural memory. Participants gain insight into how literary traditions shape social values.

### 5 Visit to the Central House of Writers

This visit introduces participants to an important cultural institution connected with Russian literary life. Students experience literature as a living cultural practice.

# History & Soviet Heritage

Nº

Activity Description

1

## A Brief History of Soviet Era in Russia

Delve into the Bolshevik Revolution's origins, Stalinist foundations, pivotal events.

Lunch

2
